STATE HEALTH BOARD SECRETARY HERE FOR MEETING TONIGHT

Dr. McCormack, representing State Health Board, and Dr. Covington, representing Rockefeller Foundation here for talks.

The mass meeting to be held this evening at 7:30 o'clock at the court house should be attended by the citizens of Maysville and Mason county who are interested in the future of the Mason County Health department as a plan for the continuation and improvement of the department will be presented by a representative of the State Board of Health and a representative of the International Health Board (Rockefeller Foundation).

These gentlemen come to Maysville particularly at this time on the matter of continuing the Mason County Health department but they will probably have other very interesting matters to talk about at the mass meeting and Dr. McCormack's visit is of very great importance as it is expected that he will have something to say about the local water condition and will probably explain why the State Board of Health has not carried out its promise to compel the building of a filtration plant in Maysville and what its plans are for the future in this respect.

It is understood that the time has arrived when something must be done if the city and county is to retain the services of its full-time health officer and its city and county visiting nurses. Heretofore the money spent by the State Health Board, the U. S. Public Health Service and the Rockefeller Foundation, has been supplemented by the Mason County Health League but these outside agencies are now asking that the county and the city supplement the funds they spend here and that a large fund is desired. This will all be explained at tonight's mass meeting. The Maysville Boys' Band will play a concert at the opening of the meeting and the public in general is invited to be in attendance.

WE ARE CLIMBING TO THE TOP Not by pulling others down, but by carefully stepping over them with the assistance of the latest improved methods in the production of our work. Try us, on Ladies' and Gents' Suits, Dry-Cleaned and Pressed. MODERN LAUNDRY DRY CLEANING COMPANY. A5-4t

POPULAR SCHOOL PRINCIPAL MAY BE KIRK'S ASSISTANT

Prof. John Hurst Adams May Be Selected Assistant County Agent For Mason County to Serve During Summer Months.

It was learned today that Prof. John Hurst Adams, principal of the Minerva High School, had been suggested as the assistant county agent to help County Agent George Kirk during the summer months, if the plan now on foot to have the county Fiscal Court contribute \$900 for the salary of a Home Demonstration Agent.

The State and Federal governments make the county a proposition that if the county will pay \$900, annually, toward the salary of a Home Demonstration Agent, they will pay the salary of an assistant to the County Agent thus giving the county two men and a woman to aid demonstration work.

While it is not likely that Prof. Adams can be induced to give up his school work entirely, it is possible that he make be prevailed upon to spend the summer months in this work in Mason county. His enthusiasm and personality would be worth much to the farmers of Mason county and it is to be hoped that he will accept the appointment in case the proposition is accepted by the county.

SCHOOL KID'S PRANK PAINFUL TO TEACHER.

On Wednesday afternoon at the Minerva High School, a student poured a small vial of sulphuric acid into the hat of Mrs. John Hurst Adams, one of the teachers of the school. When the hat was placed on her head the acid ran down onto her face burning it badly. Her hair was also badly burned. The students had been experimenting with sulphuric acid on silk and it is supposed some mischievous student thought he would experiment on the silk lining in Mrs. Adams' hat. The experiment was both painful and costly as the teacher was not only badly burned but her hat was completely ruined.

Miss Margaret R. Brown will open a class in bookkeeping Monday, April 12, at Miss Cartmell's school rooms, Bank of Maysville building. For further information call either Miss Cartmell or Miss Brown.

Mrs. Carl Wellman and daughter, Mary Louise, of Hamilton, Ohio, are here the guests of Mrs. Wellman's parents, 'Squire and Mrs. Fred Dressel, of East Second street.

WARRANTS ISSUED FOR MAYSVILLE WATER CO.

Dr. A. T. McCormack Has 31 Warrants Issued Charging Maysville Water Company With Maintaining a Nuisance.

Something was finally done this afternoon toward a solution of the local water problem when Dr. A. T. McCormack, Secretary of the Kentucky State Board of Health swore to an affidavit in County Court charging the Maysville Water Company with maintaining a common nuisance in thirty-one separate instances.

Thirty-one separate warrants were immediately issued by County Judge H. P. Purnell and will be served on officials of the Maysville Water Company at once by the sheriff.

Each warrant issued this afternoon represents a specimen of Maysville water which was examined at the State Laboratory and found to contain contamination. These specimens were taken from June 6th, 1919 up to March 24, 1920. The cases will probably be heard in County Court before Judge H. P. Purnell within the next few days and the final outcome of these trials will be watched with much interest by Maysville's citizens.

Dr. McCormack also gave orders today to Dr. J. L. Rice, Mason County Health Officer, that he take a sample of city water each day beginning with today to be examined at the State Laboratory and for each sample found to contain disease germs, Dr. McCormack instructed Dr. Rice to take out a new warrant. This will be continued each day. Dr. McCormack announced this morning until the Maysville Water Company furnishes to the citizens of Maysville good and wholesome water for domestic use. Dr. McCormack also said this morning that he State Board of Health would order the Maysville Water Company within the next few days to install at their own expense within a reasonable length of time, a first class filtration and chlorination plant. These orders of the State Health Board will be served on the Maysville Water Company, Dr. McCormack says, just as soon as Captain C. N. Harrub, who is now in Tennessee, gives the State Board of Health figures showing what would be a reasonable length of time for the Maysville Water Company to install the filtration plant.

In an interview with the Public Ledger this morning Dr. McCormack said that it was at no time the intention of State Board of Health to force the city to build a filtration plant at their expense but the State Board was endeavoring to have the city take such an interest as to take the lead in forcing the Water Company to install such a plant. Inasmuch as the city has failed to take the lead, Dr. McCormack says the State Health Board will take the lead and that they will devote the major part of their time and if necessary, their funds, to this effort until Maysville is given pure and wholesome water.

LOST HUSBAND HERE; GIVEN FUNDS FOR FARE.

A young woman with a small child called at the Mayor's office this morning and informed Miss Mary Helman, Secretary to the Mayor, that she had come this far with her husband on her way to Cincinnati and that she and her baby had become separated from her husband. She said she was penniless and wanted to get funds to get her to Cincinnati. Her home was in West Virginia she said and she had many relatives in Cincinnati. Miss Helman, Mayor Russell and others about the Mayor's office soon donated enough money to pay the woman's railroad fare to Cincinnati.

SARDIS CITIZEN IS FOUND DEAD IN BED.

Mr. Todd Tatman, citizen of Sardis, who has been a sufferer from heart trouble for years, was found dead in bed at his home this morning at an early hour. He is survived by two sisters and three brothers. Funeral will be held Sunday morning and burial will be made at Shannon.

FUNERAL SATURDAY.

The funeral of Mr. James Martin, who died at his home near Aberdeen Wednesday evening, will be held Saturday morning at 10 o'clock and burial will be made in the Martin grave yard. The deceased was a brother of Prof. Clarence Martin, Principal of the Eastland school.

WILL PROBATED

In the Mason County Court this afternoon a paper bearing date of October 2, 1919 and purporting to be the last will and testament of Mattie Marshall, deceased, was produced in court. The due execution of the paper was proven by the testimony of William Stubbsfield and May Frame and it was admitted to probate.

MINERVA IMPROVEMENT COMPANY TO ORGANIZE.

A meeting of the property owners and citizens of the Minerva neighborhood who are behind the organization of the Minerva Improvement Company for the erection of a new school building in that town, was held Thursday evening. Messrs. George Kirk, William Dwire and W. A. Smoot were named a committee to draw up the incorporation papers. An architect will begin at once on the plans for the new building which will be practically a counterpart of the Washington High School building. The company will be incorporated with a capital of \$15,000.

MAYOR'S CHAUFFEUR ARRESTED IN BRACKEN.

Charles Howe, colored, Mayor Russell's chauffeur, drove the Mayor's baker over to Brooksville Thursday on a matter of business and en route to the Bracken county capital one of the license tags from the auto was lost. When they arrived in the town, the marshal placed the chauffeur under arrest for operating without a license tag and it took considerable explaining for Howe to keep himself out of jail.

NEW CHARGES DEVELOPED AGAINST RESTAURANT PEOPLE

Couple Arrested on Charge of Embezzlement Waive an Examination and are Held to Grand Jury on Next Tuesday.

Mrs. Belle Fisher and J. R. Reddick were before Police Judge John L. Whitaker this afternoon on charges of embezzlement filed by Mr. Emanuel Shafer, who says he furnished funds to finance the Mitchell Dairy Lunch at Second and Market street and was "fleece" out of his funds by the pair. They asked for an attorney and soon retained Hon. M. J. Hennessey, of Augusta, to defend them. When the warrants were read in court they waived an examining trial and were held by Judge Whitaker for Grand Jury investigation under bonds of \$500 each which they were unable to give.

It developed today that there were several other charges against the pair which had not been made public until today. Charges of "obtaining money under false pretense" and several other serious charges have been lodged against both Mrs. Fisher and Reddick by Shafer.

The woman is the mother of a little girl aged about 8 years. The little girl clings close to her mother's side and has been in the city ever since the woman was arrested. Her father, a prisoner, Thursday morning. The woman is said to be an expert palmist and has been making an effort to get a contract with the carnival company which is now exhibiting in the city.

"EYES OF YOUTH."

A story that deals with the problem of knowing the right thing to do—whether to sacrifice one's happiness for others or to choose the career that means the soul's highest development. That is the problem that confronts Gina Ashling. Her beautiful voice offers her a career in Paris, a rich, much older man wants her for his wife, and a young brother and sister, motherless, make remaining at home seem her duty. Which shall she choose—Ambition—Wealth—or Duty? And all the time there is Peter waiting for her, young, handsome Peter, who loves her and dreams of the future they shall build together. And then, from far-off India comes a Yogi, a wanderer in a strange land, who hears her plea for guidance, and in a crystal ball she sees into the future—sees what will come to pass if she follows each of the paths that lie open to her. She sees herself as she will be if she remains at home, caring for her family, sacrificing herself for them. Then Paris comes before her eyes, where she is a beautiful opera singer, successful, a woman of the world, and last, as the wife of a rich man, whom she has married to help her father's finances. And she learns that "Duty done in violation of the laws of life is a weak yielding to the selfishness of others." After having shown Gina the future with the eyes of the soul, the Yogi departs into the night from whence he came and Gina solves her problem, thus helping others whom she loves to solve theirs, remembering the Yogi's last words: "Love with Wisdom is the secret of Life." At the Washington and Gem Friday, and Gem only Saturday.

ENGINE IS LIKE MULE.

Farmers are thoroughly familiar with the problem of overloading a small mule. They are not so well acquainted with engines, so the county agent put his scissors into the Southern Agriculturist to give his readers the following concerning the overloading of engines:

An engine that is loaded to the limit will not last as long as one that is loaded less heavily. The heavier the load the harder and heavier the strain in all parts. There is more vibration and the cylinder is heated hotter than usual. Furthermore, an engine running in this way will consume more fuel per horse power developed than when running with a moderate load. There is a certain load which each engine can carry with the minimum quantity of fuel. If the load is either increased or diminished from this point, the engine is less economical.

While nightmare is said to be capable of causing death to a physically weak adult, this has never been known to happen to a child; yet children are more subject to nightmare than adults.

Owing to the high price of cotton, of which staple it has more than one and three-quarter million acres under cultivation, Egypt is today a richer country than it has been since the days of the Pharaohs.

Through a powerful microscope such things as a nettle-sting, the scales of a butterfly, or the solid particles in smoke are plainly seen.

THE PROPER COURSE

Information of Priceless Value to Every Maysville Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Maysville citizen who used them and who publicly tells of the benefit derived?

Ben P. Fleming, constable of Mason Co., 217 E. Lee St., Maysville, says: "I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills has never failed to relieve me of the complaint in a short time."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfrs., N. Y.

"IN THE DAY'S NEWS."

Miss Virginia C. Gildersleeve, who is to be given a dinner in New York city this evening as a testimonial of her tenth year of service as dean of Barnard College, is one of the youngest as well as the most brilliant women educators of women. For all that she is a doctor of philosophy and for a whole decade has been head of the women's college of Columbia University, she is still in her early forties. Columbia University is very proud of Dean Gildersleeve, as she is a product of the university, having received her scholastic training there, and having earned the highest degree that the university can confer on a woman. Previous to becoming dean of Barnard she had served the college ten years as an instructor and professor. Miss Gildersleeve is a daughter of Judge Henry A. Gildersleeve, who was for 16 years a Justice of the Supreme Court of the State of New York.

—Chesterfield

OVER three million smokers—over three million friends—know the "satisfying" goodness of Chesterfield's expert blend of fine Turkish and Domestic tobaccos.

These smokers know that such richness of flavor, such mellowness of taste, can only come from the choicest tobaccos, bought and blended by experts.

And they know that the Chesterfield blend is an exclusive blend, that it cannot be copied or even closely imitated. They know that only Chesterfields can "satisfy."

But—how about you?

Light and Mild *Rich and Full*

Extra wrapper of moisture-proof, glassine paper on every package keeps Chesterfield's freshness and flavor intact.

GLAD TO TELL HER FRIENDS OF VOLA-TONIC

Could Hardly Get Around But Can Now Do Washing and Ironing.

"I am glad to tell everybody about Volatonic because I think it is a great medicine," said Mrs. Lena Rolmer, 4113 Witter street, Cincinnati, O. "Ever since a year ago last July I have suffered with rheumatism and have been almost unable to get around. The rheumatism was so bad in my left hand and arm that I couldn't even double up my fist. Of course, in such a condition I could hardly do any of my housework at all.

"My appetite became very poor also and I scarcely ate anything.

"I had taken only a small quantity of Volatonic when I began to feel better. Now, I am improved and better in every way.

"The rheumatism has been relieved greatly and I have good use of my hands and arms and can even do my washing and ironing.

"My appetite has come back also. "I am glad to tell my friends about Volatonic because it surely did a lot for me."

Vola-Tonic is what thousands of weakened, run down men and women need. It is a wonderful strength-builder and helps health all over. If you are feeling weak and run down try this medicine that has helped so many others.

Vola-Tonic, "Builder Of Strength," is being specially introduced in Maysville at J. J. Wood & Son's.

MASTER COMMISSIONER'S SALE

MASON CIRCUIT COURT.

Hugh O'Donnell, et. als.

On Petition Ex Parte.

JUDGMENT AND ORDER OF SALE.

In obedience to a Judgment and Order of Sale, in the above-styled action, I will, as Master Commissioner on

SATURDAY, APRIL 24, 1920.

At the respective hours and places hereinafter specified, proceed to sell at public outcry, and to the highest and best bidder, in each instance, the two (2) following-described parcels of real estate, in order that the net proceeds from said sale may be divided among the parties thereto entitled, in accordance with their respective rights therein.

PARCEL NO. 1. — That certain lot of ground with the brick storehouse thereon, situated, lying and being on the east side of Market street, between Second and Third streets, between the property of the Watkins estate on the north and the Martin Hanley estate on the south, fronting 29 feet, more or less, and extending back the same width between parallel lines to the west line of the property of Mike Brown, whose property extends back from Second street; the same being part of lot No. 36, on the plat of the City of Maysville, which was conveyed by deed of James Rice and wife to John O'Donnell, recorded in Deed Book 70, page 375, Mason County Court Clerk's office and also part of that property which by deed of Clementina Wall and others was conveyed to the said John O'Donnell, by deed recorded in Deed Book 79, page 411, of the Mason County Court Clerk's office. Said property will be sold on the premises at 11 o'clock a. m.

PARCEL NO. 2. — That certain lot of ground lying, being and situate on the west side of Limestone street, between Third and Fourth streets, in the City of Maysville, county of Mason and State of Kentucky, and upon which is a two-story brick dwelling house. Said lot fronts 27 feet, more or less, on Limestone street, and extends back 75 feet and five inches, being twenty-seven feet, more or less, wide, its entire length, and is the same length as lot adjoining, belonging originally to M. R. Gilmore. The lot hereby conveyed is bounded on the north by Gilmore, now Donovan; on the south by the lot of Middleman, on the east by Limestone street, and on the west by the ground of Pecor, being the same which on the 18th day of November, 1912, by John McIlvane, executor and trustee,

was conveyed by deed to Eunice O'Donnell, recorded in Deed Book 115, page 160, of the Mason County Court Clerk's office.

Said property will be sold on the premises at 2 o'clock p. m.

TERMS OF SALE: — Said two (2) sales will be made in each instance, upon a credit of six (6), twelve (12) and eighteen (18) months, in payments of equal amounts. The purchaser of each parcel will be required to execute sale bonds for the purchase price thereof, with approved personal security, payable to me, as Master Commissioner, and bearing interest thereon at the rate of 6 per cent. per annum, from the date of sale. Said sale bonds will have the force and effect of Replevin Bonds, with a lien retained therein upon the property, in order to secure the payment of the purchase money, for which they are executed. All taxes and assessments upon each of said two (2) parcels of real estate, due and payable in the year 1920, and thereafter, shall be assumed and paid by the respective purchasers of said parcels.

A. G. SULSER, Master Commissioner.
FRANK P. O'DONNELL, Attorney.
